Sir:

Our periodic docket check indicates that to date we have not received an Office Action in the above-referenced application which was filed on July 13, 2001. A first status letter was sent on January 10, 2003 to which the United States Patent and Trademark Office promptly replied on January 30, 2003 indicating that a response would take more than 15 months.

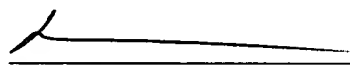

A second status letter was then sent on August 6, 2004. However, we did not receive a response to the second status letter so a third status letter was filed on December 9, 2004. The United States Patent and Trademark Office promptly replied on June 1, 2005 indicating that an Office Action would be issued in July or August 2005. The applicant inquires as to the status of the above-captioned application.

Please indicate when an action on the merits can be expected by completing the lower portion of this letter and returning it to the applicants. A duplicate of this Fourth Status Letter and a stamped, self-addressed envelope are enclosed for your convenience.

Respectfully submitted,

Date: August 25, 2005
